

NextCloud and Wm1 Account

- 1) Request for Linux user account and NextCloud account in wm1 server Send request email to: - <u>ratnakumar@ncra.tifr.res.in</u>, <u>meshram@ncra.tifr.res.in</u>
- 2) Configure key base login to the Linux user

Use command-line SSH to generate a key pair using the RSA algorithm. To generate RSA keys, on the command line, enter:

ssh-keygen -t rsa

you need to press Enter only after above command

- 3) Send generated public key (id_rsa.pub) to System administrator (<u>ratnakumar@ncra.tifr.res.in</u>, OR meshram@ncra.tifr.res.in) Location: ~/.ssh/id rsa.pub
- Try to login to wm1 after account creations using Terminal ssh username@wm1

NextCloud

1) Login to NextCloud, in Browser https://wml.ncra.tifr.res.in

🗕 🔴 🔍 🔤 Log	gin – Nextcloud	× +

10) Download File using wget command

Type wget and paste copied link and /download at the last

\$ wget <u>https://wm1.ncra.tifr.res.in/index.php/s/E5xeXBx8JHGQdLj/download</u>
press Enter

Now downloaded file or folder will have name as "download", user need to rename it with file extension

By this way sharing the link via Email to the external user enable them to Download the file using Browser or wget commands

Upload Files using SCP Command and View in the NextCloud window

- 1) Login to wm1 ssh username@wm1
- Go to /data/pub/ncraftp/USERNAME/files
 Here you will see the files and folders store by NextCloud
- 3) Upload files:
 - From Your computer

scp -r FILENAME USERNAME@wm1:/data/pub/ncraftp/USERNAME/files

EX. scp -r gnuplot-5.4.1.pkg meshram@wm1:/data/pub/ncraftp/meshram/files

Your file gets uploaded on the NextCloud, Please wait till uploading finish.

Refresh the browser(after 10 min) window to see the file we copied using SCP command, sometimes depends on the File size. Observe the file size and uploaded file size.

Deleting Files

1) Click on 3 dots ... to open action Menu

2) Select Delete File or any other action you want.

How to Change Default Password?

You can change your default password shared by IT team

1) Click on Right Top corner on Username
